

# WILDLIFE

Our large range of diverse wildlife includes crocodiles, lizards, koalas, turtles, snakes and over 200 birds.

Cairns ZOOM & Wildlife Dome has many exhibits for all ages to explore including our small bird aviary and reptile enclosures, all while tropical birds fly above your head throughout the dome.

## SCALY

Our diverse range of reptiles come in every size of the scale! Our largest resident is Goliath, a 4.3 metre Estuarine Crocodile, who you can see getting fed and swimming around through our underwater viewing window. Take a walk down Python Pathway and see our display of beautiful Australian snakes - we offer photos daily with one of our reptile friends, ask at reception for details. As you wander the dome don't forget to look out for turtles and lizards too!

## FLUFFY

Meet the iconic Australian Koala and learn more about this sleepy marsupial in the daily koala talk.

## FEATHERY

Our wildlife park is home to over 200 birds, many of which fly freely throughout the dome. Keep an eye out for Snowy, our unique White Kookaburra, be surrounded by Rainbow Lorikeets in Lorikeet Lane and meet our cheeky Sulphur-Crested Cockatoo Jo Jo.
